16 credits

PLEASE NOTE:

ILIAHOD VEAD

*Food Animal students must complete a <u>minimum</u> of 12 credits of approved Food Animal electives for graduation. Please see the Approved Food Animal Elective Listing supplement.

*Food Animal students must complete a <u>total</u> of 9 credits of Agribusiness courses. Three credits must come from AEB 3133 Principles of Agribusiness Management. The additional 6 credits (<u>minimum</u>) must come from the approved Food and Resource Economics elective listing.

*ANS 4941 Full-Time Work Experience Internship must be completed prior to graduation. Generally, students will complete internships in the summer term between their junior and senior year; however, students may complete the experience in any semester. Experience must be <u>pre-approved</u> after transfer admission and be a <u>minimum</u> of eight weeks in length, 40 hours per week worked.

*Although not required for transfer students, students may opt to take courses during summer terms to complete their degree within the recommended time frame of four years.
