SUBJ: Parking for the 2015 State 4-H Poultry Judging Contest

The State 4-H Poultry Judging Contest will be held in Gainesville on Friday, June 5, 2015. Because the contest is held on a weekday, parking enforcement on the UF Campus will be in effect. We will need your assistance to make sure that contestants and volunteers do not receive parking citations on the day of the event, so please make sure to read through the list below and return any required information to me by May 22, 2015.

- **State Vehicles:** If an Agent brings the contestants in a State Vehicle, then no parking permit is needed.

- **Other Vehicles:** If the contestants are arriving in a vehicle other than a State Vehicle we will need the license plate number of the vehicle and the name of the driver so that you may obtain a temporary parking permit for the day. Please send me this information along with the 4-H Team by May 22, 2015. We will hand out the parking permits at registration.

- **Parking Permits** are only valid in the **GREEN**, **ORANGE**, and **ANY DECAL** spaces. These spaces are located in the front and back of the Animal Sciences Building. The permits **CANNOT** be used in **VISITOR** spaces.

- Any person associated with UF must use the parking pass that was issued to them (State Vehicles excepted). They cannot use the temporary passes that are being ordered for the event.

Thank you for your assistance in passing this information to the pertinent personnel and volunteers for your office. If you have any additional questions or concerns, please do not hesitate to contact me.
